

**Delaware Technology Student Association**  
Attends the  
**2007 National TSA Conference in Nashville, Tennessee**  
**“TSA, Breaking down Boundaries”**

The Delaware TSA Delegation of approximately 70 people including students, advisors, parents, volunteers and myself participated in the National TSA Conference. Delaware continues to make a positive impression at the Conference. **Mt. Pleasant High School (largest amount/school)** and Hanby Middle School were recognized for outstanding contribution to our Service Partner the American Cancer Society. Due to their efforts and other TSA members **Delaware was recognized for the largest contribution by a state to the American Cancer Society**. The American Cancer Society recognized the Delaware Delegation at one of the General Sessions and then at the “TSA/ACS mini Relay”. **Hanby Middle School received the Chapter Excellence Award**. Jim Medved was recognized as the Middle School Advisor of the Year for Delaware and Dr. John Brown was recognized as the High School Advisor of the Year. The following are the individuals or teams that placed in the top ten during competition:
